Registration of pleasure crafts in Denmark

This is to declare, that since 1 March 2018, it is no longer possible to register pleasure crafts in Denmark with a gross tonnage below 20. This also means that a certificate of nationality cannot be provided for such crafts.

However, a certificate of nationality can instead be issued by private yachtsman organizations in Denmark for their members.

Furthermore, the Danish Maritime Authority hereby confirms that Danish owners of pleasure crafts are entitled to sail under the Danish flag, subject to the Danish Maritime Shipping Act. It should also be noted, that boats used only for pleasure boating and owned by Danish citizens are entitled to fly the Danish yacht flag.

Yours sincerely,
